Additional Comments: Students must apply and be accepted to the Nursing Major prior to enrolling in third and fourth year NURS courses. Refer to website, www.usd.edu/nursing for admission criteria, deadlines, and application procedure. Students must begin nursing application process 4-6 weeks prior to posted deadlines. (Theory, Clinical, Lab credit hours.). This is an example of a four-year plan. There are numerous valid reasons for changing this curriculum. Students should always consult their advisors and the department checklist before completing their schedules.
