Total Major Requirements					120

Notes: *A statistics course, two natural sciences courses (one in animal or human BIOL or PHGY and one in CHEM or PHYS), and a social/behavioral science course in PSYC, SOC, or ANTH are recommended for majors, as these are required for clinical certification in speech-language pathology by the Council for Clinical Certification of the American Speech-Language-Hearing Association.

**EDFN 475 & SPED 100 are also recommended for majors but not required; some states require these courses for public school employment.
